

Kick the Flu +2

**Submissions open
May 9, 2025**

Abstract Guidelines

San Diego Immunization Coalition's (SDIC) annual Kick The Flu +2 summit is seeking oral and poster presenters to share successful strategies and activities that increase flu, COVID-19, and RSV vaccinations.

Submission Instructions:

Abstract submissions should be no more than 600 words and include:

- Title
- Objectives (3-4 learning objectives)
- Keywords (3)
- Background
- Methods/Approach (including target population)
- Outcomes/Results
- Conclusion/Takeaways

Abstracts will be reviewed, scored, and selected by four key members of the SDIC Steering Committee.

Successful abstracts will be chosen to present either as a poster presentation or as a 15-20 minute oral presentation.

Abstract topics can include:

- Strategies to address vaccine hesitancy
- Effective communication and outreach
- Health education and promotion
- Targeted efforts for communities with low vaccine rates
- Community engagement efforts
- Building trust in clinical settings
- Research or innovative methods to improve vaccination rates
