

2019 SDIC SUMMIT

PEDIATRIC VACCINES

Wed, Mar 6, 2019 9 AM - 12:30 PM

San Diego Central Library 330 Park Blvd, San Diego 92101

DESCRIPTION

The San Diego Immunization Coalition and the San Diego Immunization Program present a **FREE** half-day symposium on childhood vaccines and the new school immunization requirements. Morning refreshments served.

WHO SHOULD ATTEND

- Medical/health care providers and staff • School nurses/health techs • Child care staff • Public health practitioners • Social service employees • Pharmacists • Other health professionals

EDUCATIONAL OBJECTIVES

- Increase knowledge about pediatric vaccines to help raise pediatric immunization rates
- Review the 2019 schedule from the Advisory Committee on Immunization Practices
- Review the 2019 school immunization laws from the California Department of Public Health
- Summarize recent local outbreaks of vaccine-preventable diseases

SPEAKERS

- **KEYNOTE:** Peter Salk, MD, President of the Jonas Salk Legacy Foundation. *Dr. Salk is the son of Dr. Jonas Salk, inventor of the polio vaccine.*
- Robert Schechter, MD, California Department of Public Health
- Mark Sawyer, MD, UCSD and American Academy of Pediatrics-CA3

FREE CONTINUING EDUCATION HOURS

Provider #CEP579 is approved by the CA Board of Registered Nursing (BRN) to provide continuing contact hours to nurses for this training
