**2. School Flu  
Vaccinations:  
San Diego  
Unified School  
District and  
Kaiser  
Collaboration**

**Presenter: Eileen Griffiths, RN, BSN, Project Nurse**  
San Diego Unified School District

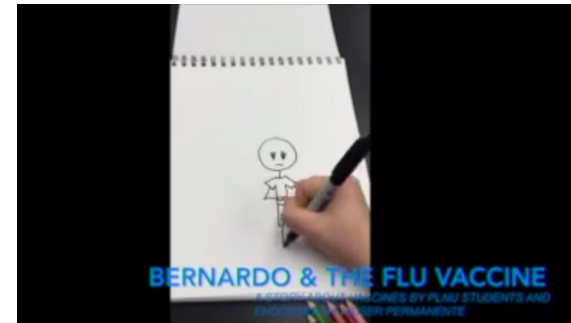

Eileen provided details of a partnership between the San Diego Unified School District and Kaiser Permanente that resulted nearly 3,000 elementary kids getting vaccinated for the flu vaccine (95% FluMist) within a week. Vaccinators included students nurses from Point Loma Nazarene, San Diego State University, and Azusa Pacific University. Some highlights:

- All twelve elementary schools contacted agreed to participate
- 7,750 consents were sent home for parent signatures in multiple languages. Forty percent were returned with consent to participate.
- Safety was first. Consents were vetted by RNs, sometimes twice.
- Kaiser brought all supplies for vaccination stations. Kaiser also ordered, obtained and stocked flu vaccine for each clinic site.
- SDIR entry was conducted onsite by Adrienne Lenhoff and Jennifer Sterling

Point Loma Nazarene University student nurses made the educational video, Bernardo and the Flu. This was emailed to all of the school nurses and shared with teachers. The intent was that students would view the video prior to the flu clinic at their school.

- Influenza – this should currently be in PROD
  - Minor update was for children 6mo-8yrs
  - This season children in this age group whom had 2 or more doses of Trivalent or Quadrivalent formulas prior to July 1, 2015 will only need 1 dose
  - We received a call on the helpdesk stating that there seems to be an issue with forecasting for this age group
    - We are currently reviewing the rules and have communicated with our software vendors.
- Meningococcal B
  - Two brands Bexsero or Trumenba ( 3dose series)
  - Not interchangeable
  - We are wrapping up testing and will soon go on PROD
- Adult HepB
  - In the next few days you may start to see Adult HepB in patients under 18yrs.
    - This is a valid shot so as these may truly have been administered at various clinics/providers office
- Informed users of the Password reset option
- An issue with Reminder/Recall was brought up by SYHC and will work with the individual for resolution.

SDIR Helpdesk will be out of the office

- Friday Dec 25<sup>th</sup> and Friday Jan 1<sup>st</sup>

**Next Meeting**

**Wed, Feb 3, 2015 from 12:30 – 3 PM**
