

KICK THE FLU SUMMIT 2019

Celebrating 15 Years of Community Immunity

Wed, Sep 18 9AM-12:30PM

San Diego Central Library 330 Park Blvd, San Diego 92101

Summit Description: Now in its 15th year, Kick the Flu 2019 will convene medical, health, and community service providers to share information, collaborate, and strategize about how to promote and increase the rate of flu immunizations throughout San Diego County during the 2019-20 influenza season

Who Should Attend: Medical/health care providers and staff • Public health practitioners • Social service employees • Pharmacists • School nurses and administrators • Daycare staff • Older adult service staff • Community organizations • Other health professionals, students, and volunteers

Free Continuing Education: Provider #CEP579 is approved by the CA Board of Registered Nursing (BRN) to provide continuing contact hours for this training
